

THE GRUUV ENTERTAINMENT PRESENTS  
2ND ANNUAL LET'S GRUUV GALA

# LET'S GRUUV TONIGHT

SATURDAY, NOVEMBER 21, 2026

THE BELLVUE MANOR

"AN EVENING FOR MEN'S HEALTH"

## OUR MISSION IS SIMPLE:

to raise vital funds in support of the Movember Foundation. We are committed to advancing care and support for those affected by prostate and testicular cancer, driving breakthroughs in treatment and men's mental health—not only across Canada, but around the world.

On behalf of Matthew Palmieri & The Gruuv Entertainment, we thank you for your interest in sponsorship and supporting our mission for this great cause. We want to thank Movember for being an official partner of this gala and for allowing us to be part of the change in men's health for the future. We thank you for any contribution, as we are all making a difference together for our annual gala and more to come in the future.

# 2025

Over 350 guests.

\$20,000+ raised.

One unforgettable night.

Our first-ever gala brought the community together in a powerful way —featuring inspiring guest speakers, high-energy moments, and a shared mission to support men's health through the Movember Foundation.

The impact didn't go unnoticed—earning a nomination for *Movember Event of the Year*. And this is just the beginning.

Year two is going bigger.

More funds.

More awareness.

More support.
